

MINISTRY QUESTIONNAIRE

Our pledge to God is three-fold: time, treasure and talent. We are blessed with many gifts from God, and His work must be carried out by the faithful. Therefore, St. Gregory's asks that you involve yourself in a ministry out of the many we provide.

The following questionnaire will help you determine your talents, gifts, and past experience in order to recommend to you a ministry with which you will be most compatible.

Should you feel you are not well-suited to your ministry, please let us know so that we can help you reassess your strengths and preferences.

Thank you.

1. What ministries have you been involved in previously?
2. What professional experience do you possess?
3. What ministries at St. Gregory's interest you?
4. When are you most likely to be available to help carry out a ministry?

Please return this complete questionnaire to Fr. Matthew Moriak. You may also email it to him at FrMatthewLL@hotmail.com.
